

31 JAN – 3 FEB 2024

BITEC BANGKOK THAILAND | 10.00 - 18.00 Hrs. | HALL 103 - 104

SHOW DATES

- 31 January - 3 February 2024
(10:00 a.m. – 6:00 p.m.)

VENUE

- Bangkok International Trade Exhibition Centre (BITEC), Bangna, Bangkok, Thailand

EXHIBITION AREA

- 10,000-15,000 square meters

COST

- Raw Space : US\$ 300 per sqm. (minimum 18 sqm.)
- Standard Shell Scheme : US\$ 340 per sqm.

CO-LOCATED WITH

- The 15th International Food Processing and Packaging Exhibition

FEATURE ZONE 2024

Industrial Machinery

Showcasing the latest industrial machinery, equipment and technology for manufacturing industry

Industrial Supplies

Showcasing all kinds of tools, instruments, compressor, pneumatic & hydraulic and electrical equipment for manufacturing industry

Warehouse & Logistics

Featuring the latest material handling machinery, equipment as well as logistics services and solutions for manufacturing, transportation and logistics industry

Green Technology & Super Green Pavillion

showcasing all kind of energy saving technology, solar cells, electric vehicle (EV), batteries, electric equipments for factory and warehouse logistic

Digital Industry

Showcasing all kind of Industrial Intelligent Technology, Software & System, E-commerce & Digital Marketing for Digital Industry

EXHIBITOR PROFILE

- Machinery, Metal Working Machine
- Machine Tools, Metal Cuttings, Metal Forming
- Laser Cutting System, Welding Equipment & Supplies, Wood Working Machinery Components, CNC Machine
- Industrial Robots
- Hand Tools / Power Tools, Cutting Tools, Abrasive Tools & Products, Drilling
- Bolts-Nuts & Bearings, Safety Equipment
- Control Measurement & Testing Tools, Air Compressors, Pumps, Valves, Pneumatic Equipment, Hydraulic Equipment, Compressors, Fluid Machinery, Instrument, Automation & Control Systems,
- Material Handling Equipment, Industrial Cranes & Hoists, Forklift Truck and Parts Wheel, Elevator & Lift, Conveyor Belts & System, Machine for Shipping and Storage, Storage Equipment, Racking and Shelving, Pallets, Chains
- 3D Printing Technology
- Computerized Maintenance Management Systems
- E-Commerce & Digital Marketing
- Energy Management System
- Industrial Intelligent Information Technology
- Industrial Supporting Software, Systems, Information Transmission Apparatus
- Plant Maintenance Management Software & Systems
- Waste Management Systems
- Electrical / Electronic Equipment
- Plastic Rubber & Chemical
- Water processing
- Air Pollution Control Technology

SHOW PROFILE

Thailand Industrial Fair (TIF) 2024, a top ASEAN industrial technological exhibition and trade event, showcasing automatic machines, packaging machines, warehouses and logistics as well as alternative energy solutions such as solar cells and electric vehicle (EV) batteries. TIF 2024 is coming under the theme "Driving Industry through Sustainability" to promote every industry towards green production.

VISITOR PROFILE

- Automotive Manufacturing
- Agent / Distributor / Trading
- Buying / Procurement Services
- Electrical Engineering / Electronics Manufacturing, Equipment and Machinery Manufacturing, Material Handling, Metal Components & Product Manufacturing, Precision Engineering / Supporting Industries, Public Work / Services, Rubber
- Plastic Products Manufacturing
- Storage, Subcon-Manufacturing, Tools
- Die & Moulds Manufacturing
- Trade Association / Government Agency
- Vehicle construction, Textiles industry Food Processing Industries, Frozen Food Industries
- Beverage Industries, Dairy Manufacturing
- Others
