EXHIBITOR PROFILE

- Industrial machinery and equipment
- Factory automation
- Machine tools and metalworking
- Industrial IoT and digital solutions
- Warehouse Management Systems (WMS)
- Measurement and testing equipment
- Pneumatic and hydraulic systems
- Safety and security systems
- Energy and environmental solutions
- Production control software and solutions
- Metal detectors and inspection systems
- Beverage machinery
- Packaging and packing machinery
- Packing machines
- Cold chain systems
- Packaging manufacturers
- Labeling, barcode, RFID and coding systems
- Metal detectors
- Clean energy systems

- Plastic injection molding machines
- Drones, industrial robots
- Hydrogen generators, storage systems
- Cooling and refrigeration efficiency systems
- CNC machines
- ERP, CRM programs
- Testing labs / Industrial
- Testing, measurement and quality control
- Packaging / Eco-friendly packaging
- Logistics service providers
- Cosmetics / Halal cosmetics business
- POS systems / Food ordering systems / Reservation systems
- Forklifts
- Pneumatic equipment
- Measuring instruments
- Food processing machinery: cutting, slicing, chopping, dicing, grinding
- Weighing scales
- Robot stocking systems
- etc.

VISITOR PROFILE

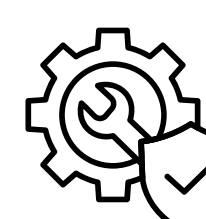

CEO/ Owner

Factory Manager

Engineer

Maintenance
& Automation team

Purchasing

Target industry groups

- Food processing plants
- Beverage plants
- (Drinking water / Milk / Health drinks)
- OEM/ODM factories
- Frozen food manufacturers
- (Ready-to-eat meals)
- Electronics & Electrical
- Plastics & Rubber
- etc.

Exhibited Rate

Raw space	7,000 THB /s.q.m (Exclude VAT)
Standard Booth	63,000 THB /BOOTH (Exclude VAT)
International	2,100USD / BOOTH

STANDARD BOOTH

- Booth name sign / Booth frame, size 3 x 3 meters
- 1 white table / 2 chairs
- 1 trash can
- 1 5 amp power outlet
- Carpet
